

Thank You!

The Center Grove Choral Department offers students a unique opportunity to develop poise and confidence, and to achieve tremendous rewards as a result of commitment, dedicated teamwork, and perseverance. These values and life skills will prove to be vital to the future success of the youth in our community.

Thank you for your consideration and generous support of this worthwhile endeavor. Your investment in these outstanding high school students will help us to provide excellent choir programs now and in the future.

Thank you for believing in the young people of our community, and for your financial support. Both are essential to the continuation of the Center Grove competition choirs, and to exceptional achievement by its students.
